# DELICATE DETOX™\*

**Well-tolerated, GI and pH stable proteolytic enzymes designed for natural support of the cardiovascular system for supporting muscular health, immune system health, urinary health, and healthy elimination.\***

Assuring optimal protein digestion and proper blood flow is necessary for effective nutrient delivery, a healthy immune response, and detoxification. Protease enzymes are therefore a must. This formula is uniquely designed with protease to promote systemic balance.\*

- **Protease Enzymes.** The proteolytic activity in Delicate Detox™ assists the body in maximum digestion of nutrients, production of energy, and aid in immune support.\*
- **Gentle Formula.** Delicate Detox™ is formulated with calcium for improved tolerance on an empty stomach for those who need a gradual introduction to the benefits of proteolytic enzymes.\*
- **Protein Digestion.** May be taken with meals for additional support with digesting proteins.\* For those who have difficulty swallowing capsules, Delicate Detox™ may be pulled apart and mixed in a small amount of tepid water and/or with the first bite of food.\*
