LOVE THY LIVER™

A liver supplement, promoting healthy liver function and detoxification*

The liver is one of the most important organs in the body and plays a vital role in digestion, hormone regulation, and detoxification. All hormones pass through the liver, including all steroid and sex hormones. In fact, all material in the body ultimately goes to the liver. This formula promotes optimum liver as well as lymphatic system function by encouraging the normal removal of toxic materials and supporting the liver's normal regeneration sequence.*

Natural Ingredients. Love Thy Liver™ includes a synergistic formulation of herbs and nutrients known for their ability to protect the liver, promote hepatic cell regeneration, and support detoxification.*

Enzyme Blend. This product is unique with its blend that includes lipolytic, proteolytic, and polysaccharolytic enzymes for effective delivery of the various ingredients.*

Healthy Detoxification.* This product is the perfect choice to help counter exposure to various forms of environmental toxicity.* Love Thy Liver™ is also very effective when used to provide nutritional support before, during, and after a heavy metal detox or other type of aggressive cleanse.*

Health Benefits: Dr. Liz Cruz Love Thy Liver™ is a N-Acetyl Cysteine supplement with herbs and enzymes to promote liver health and healthy detoxification.*
